URBAN DISCIPLE

FOLLOWING JESUS IN MARK'S GOSPEL

Jesus is the true model and pattern for the disciple. Mark tells the story of Jesus as the blueprint for our lives and ministry wherever we find ourselves in the city. We are called to follow Jesus on the frontlines of our lives in family, at home, in our neighbourhood, at work, in culture and in society. How are our lives renewed so that in being like Jesus we become people of impact and influence?
